Accommodation Scholarships - Academic Year 2026-27 - Call for applications

In the frame of its strategic development plan, the Department of Sciences and Methods for Engineering (DISMI) at UNIMORE reserves yearly up to 4 (four) places – 2 (two) per semester - in affiliated housing facilities for the accommodation of International Bachelor and/or Master students who plan to undertake a Traineeship at our Department.

Requirements

The applicants should comply with at least one of the following requirements:

- Having been nominated for an Erasmus+ Traineeship grant
- Having been nominated for the Erasmus+ KA107 exchange programme
- Being enrolled in a Bachelor or Master degree at a recognized university and having already finalized a valid agreement for a Traineeship and/or Thesis preparation at DISMI.

Duration

The maximum duration of the grant is 6 months.

Deadlines

The following deadlines apply to their respective envisaged Traineeship periods:

- 17/07/2026 for Traineeships taking place in the first semester (from 01/09/2026 to 28/02/2027)
- 06/12/2026 for Traineeships taking place in the second semester (from 01/02/2027 to 31/07/2027)
- 09/04/2027 for Traineeships that start in the summer period*

Application procedure

Applicants should send the following documents to the contacts listed below (see the "Contacts" section):

- Valid ID or Passport
- Transcript of Records issued by the home university
- Curriculum vitae
- Proof of nomination for one of the listed mobility programmes (see the "Requirements" section) or equivalent valid agreement for Traineeship or Thesis Preparation
- Motivation letter containing a statement of research interests

Evaluation and assignment criteria

An evaluation will be performed after each of the three deadlines listed above (see the "Deadlines" section). The results will be promptly communicated per email to all the applicants.

The evaluation will be based on the following criteria:

- Clarity and completeness of the motivation letter: applicants should clearly state their research interests and specify the scope of their Traineeship at DISMI, as well as their envisaged tutor(s)
- Existence of previous inter-institutional agreements: priority will be given to students who are enrolled at partner institutions
- CV and academic record

Please note that housing will be assigned based on the availability of the aforementioned facilities and accommodation costs may be only partially covered. Additional places, beyond the specified number, could also be assigned if allowed by both budget and availability
**The Reggio Emilia residence is closed in August. The scholarship holder will be transferred to a residence in Modena for the month of August only.*
